

TYPE RATING REVALIDATION

Training Duration : 1/2 day

DESCRIPTION

You are concerned if your type rating is still valid:

- ✓ A type rating is valid for 12 months. Each year you need to complete a Proficiency Check to stay current and valid to fly.
- ✓ The type rating revalidation can be done within the 3 months immediately preceding the expiry date of the rating.

PREREQUISITES

- ✓ Hold a valid class 1 or 2 **Medical Certificate**

Type rating for single-engine piston helicopters:

- ✓ Complete at least 2 hours as a pilot of the relevant helicopter type within the validity period of the rating. The duration of the proficiency check may be counted towards the 2 hours.
- ✓ Pass a proficiency check in the relevant type

Type rating for single-engine turbine helicopters with a maximum take-off mass up to 3 175 kg:

1- Applicants hold only one type rating:

- ✓ Complete at least 2 hours as a pilot of the relevant helicopter type within the validity period of the rating. The duration of the proficiency check may be counted towards the 2 hours.
- ✓ pass a proficiency check in the relevant type

2- Applicants hold more than 1 type rating; they may achieve revalidation of all the relevant type ratings by completing the proficiency check in only 1 of the relevant types held, provided that they have completed:

- ✓ 300 hours as PIC on helicopters
- ✓ 15 hours on each of the types held
- ✓ at least 2 hours of PIC flight time on each of the other types during the validity period

The proficiency check shall be performed each time on a different type

RATE

- ✓ In accordance with flight training hourly rate. Quote on request
