

# PRIVATE PILOT LICENSE

## PPL-H

A PRIVATE PILOT LICENSE allows you to fly as a helicopter pilot in command or copilot on non-commercial operations without remuneration.

*Take it  
from a Dream  
To Reality!*

## PREREQUISITES

- ✓ Have **16 years old** for the first solo flight, **17 years old** for the final exam.
- ✓ Hold a **valid class 2 medical certificate**.

## TRAINING

### THEORETICAL TRAINING

- ▶ Online theoretical exam training (**E-Learning**). Work at your own pace, where you want and when you want through the Computer Based Training (CBT).
- ▶ 10% of the theoretical program will be covered in the classroom and **during briefings and debriefings** before and after each flight. Main topics covered are flight regulations, principles of flight, navigation, human performances, meteorology and communication.

### FLIGHT INSTRUCTION

- ▶ **35hrs dual** instruction.
- ▶ **10hrs supervised solo flight** including **5hrs** cross country.

### SPECIFIC CASES

- ▶ PPL-A holder with at least **60hrs** PIC: training time shortened to **39 flight hours**.
- ▶ Reunion Island R44 training: Restricted licence due to navigation limitations on the island.

**FLIGHT INSTRUCTION**  
45HRS

**DURATION**  
According to individual skills and availability

**HELICOPTERS AVAILABLE**  
R22, R44  
CABRI G2, AS350

### PRICES

**From 20700€**  
on Robinson R22

PERSONALIZED QUOTATION ON REQUEST

✓ *To give you a taste of helicopter piloting, we advise you to perform a trial flying lesson. This Flight time will be included in your training.*
